NOTICE NO. 1 OF 2025

goAML system downtime and alternative for manual STR reporting

The Seychelles Financial Intelligence Unit (FIU) wishes to inform all reporting entities that on **Thursday, 14th August, 2025**, there will be a scheduled 24-hour downtime of the goAML system to facilitate system upgrades. During this maintenance window, access to the goAML portal will be temporarily unavailable.

Notwithstanding this downtime, reporting entities' statutory obligation to submit reports of suspicious activities and transactions within the prescribed timeframe of section 48(1) of the Anti-Money Laundering and Countering the Financing of Terrorism Act, 2020 remains in full force.

As an interim measure and on an exceptional basis, the FIU will accept manual submissions via email at information.request@fiu.sc during the downtime. Submissions should include the completed form, available [here](#) on our website.

The FIU appreciates the cooperation and understanding of all reporting entities as it works to enhance the performance of the goAML system.
