NOTICE NO. 4 of 2026

Temporary unavailability of goAML services

The Seychelles Financial Intelligence Unit (FIU) wishes to advise all users of the goAML platform that submissions of **Suspicious Transaction Reports (STRs)**, **Virtual Assets-related disclosures** and **Beneficial Ownership (BO) information** is temporarily unavailable. This interruption is necessary to facilitate essential system maintenance.

As an interim measure, and on an exceptional basis, the FIU is accepting manual submissions of **STRs only** via email at information.request@fiu.sc during the period of the downtime.

Reporting entities that are submitting STRs manually are required to include the completed STR form, available [here](#) on the FIU website.

This temporary measure for STR submissions is intended to enable reporting entities to continue fulfilling their reporting obligations as prescribed under Section 48(1)(a) of the Anti-Money Laundering and Countering the Financing of Terrorism (AML/CFT) Act.

BO information submissions and Virtual Assets-related disclosures should be made through the goAML platform once the system has been restored and the relevant services are available.

The FIU regrets any inconvenience caused and appreciates your understanding and cooperation as the technical team completes the necessary work.

For further enquiries or clarification, please contact the FIU at (+248) 4383400 or via email at enquiries@fiu.sc.
